

At Briscoe Treatment Center we provide residential substance use treatment services.

Our program focuses on the needs of each person and utilizes the most cost effective method of care. We are a private, non-profit provider specializing in comprehensive mental health and substance use treatment services in Louisiana.

- ⇒ *Have you ever felt that you should cut down on your drinking/drug use?*
- ⇒ *Have people annoyed you by criticizing your drinking/drug use?*
- ⇒ *Have you ever felt bad or guilty about your drinking/drug use?*
- ⇒ *Have you ever had a drink or used first thing in the morning to calm your nerves or get rid of a hangover?*

Contact us at **888.403.1071** for a quick screening and bed availability.

Our adult residential program is designed to meet the individual needs of each person and families impacted by drugs and alcohol. Our program focuses on the strengths of each person to help achieve goals in the areas of employment, criminal behavior, relapse, housing and family.

Pathways utilizes evidence-based practices to provide quality care to clients with the help of qualified and experienced staff.

Our program is client driven and the length of stay is proportionate to the clients' needs.

We challenge ourselves to remain current with best practices in treatment services and, to this end, utilize a variety of evidence-based treatment models insuring our clients have the best opportunity for long-term success.
