Starry Skies and Fireflies Gala

Compass Health Network's A Safe Place is thrilled to announce the tenth annual fundraiser, Starry Skies and Fireflies Gala, on Saturday, April 20. The gala will be at the Corpus Christi Center from 5 p.m. to 11 p.m.. Proceeds will benefit A Safe Place Domestic Violence Shelter, which serves women and children in Jefferson County and the Greater St. Louis area.

A Safe Place, the only domestic violence shelter in Jefferson County, is a comprehensive program providing residential services, out-patient services, and emergency shelter for women and children escaping domestic violence. A Safe Place also provides advocacy, therapy, and education to help break the cycle of violence, while offering life-enhancing skills that empower women and children to live productive, healthy lives. Since most of the women and families come to A Safe Place with very limited resources, we do not charge for our services. We rely on donations, grants, and fundraisers to help make a difference in the lives of those escaping abuse. Your generous support helped provide 977 nights of safety for women and 1316 nights of safety for children in 2023. We also provided 2257 hours of case management to moms and 1054 hours to kids.

Please take a moment to review sponsorship opportunities and select your sponsorship level. This is a great opportunity for you to enjoy dinner, enjoy live music, and bid on silent and live auction items, while helping to provide life-saving services to women and children.

For more information, contact Kim Elbl at Kelbl@Compasshn.org or call 636-232-2339. Thank you in advance for your generous support; we look forward to celebrating with you at the Starry Skies and Fireflies Gala!
