The Children's Advocacy Center of East Central Missouri has given a voice to over 8,500 survivors since opening our doors in November of 2000. As we celebrate our 25th year of providing support, hope, and healing to survivors, our mission to stop child abuse and protect children through a community-based coordinated response, has never been more urgent. In order to provide a less traumatic experience to children, we adhere to the ChildFirst Doctrine, meaning the child's needs are always our first priority. Services such as fact-finding interviews, advocacy, mental health services, and medical examinations are provided free of charge to the children and families we serve.

Like many non-profit organizations, we rely strongly on the community for financial support of programs offered to the children and families. Our Center serves over 400 children per year, and with your support of our *Be A Voice Gala* you become a part of helping us serve hundreds of children who need our help. The Gala will be held Saturday, March 29, 2025 at Berkshire Ridge in Blackwell, Missouri.

Will you support the most vulnerable members of our community, our children, by becoming a Gala Partner? You can help in so many ways! Select a partnership level, donate raffle or auction items (*gift cards, sport event tickets, spa packages, hotel/vacation stays, household items etc.*) and/or purchase tickets to the event. Tickets are \$65.00/person or \$500.00/ Table of 8. The *Be a Voice Gala* is a great way to get friends, families, or co-workers involved to support a great cause and participate in a fun event!

For more information about our *Be A Voice Gala*, the services we provide, or to make a donation, please contact our Kim Elbl at 636.232.2339 or email kelbl@compasshn.org.

Warmly,

Kimberly A. Kemerer, M.Ed., LPC-S
